

## 2011 WG State Clubs a Huge Success

*Katrina Squires, Wednesday, 10 August 2011*

On Sunday 7<sup>th</sup> of August 103 of Tasmania's female gymnasts from seven different clubs competed in the Tasmanian Clubs Competition at Launceston PCYC. Catering for State & National Levels 4-10 it was a chance for gymnasts to compete as a team rather than as individuals as club went up against club.

Session 1 allowed the spectators to be wowed by the National 7-10 girls while the National level 6 & State level 7 teams battled it out. Session 2 saw the State & National Level 5 and State Level 6 teams taking to the apparatus. And in the closest competition of the day session 3 had the State & National level 4 teams battling it out. National level 4 saw first to third overall being separated by only 0.635 and State level 4 had a similar result with 0.634 separating first to third.

Wildcats won State level 4; HGA took out State level 6 while Kingborough took out the remaining five levels and received the shield for State Levels Champion Club for 2011 as well as the National Levels Champion Club for 2011.

Also as part of the event 19 girls attempting to grade were successful in achieving pass marks.

Well done to all girls and clubs in what was a terrific lead up to the State Championships at the end of the month.
