

## National Institute of Circus Arts - Auditions Open

*Tuesday, 2 August 2011*

The National Institute of Circus Arts (NICA) is Australia's centre of excellence in contemporary circus.

NICA is a national not-for-profit arts training institution auspiced by Swinburne University of Technology in Melbourne who accredit NICA's academic and training programs. As the only training institution of its kind in Australia, NICA provides professional training through a three year Bachelor of Circus Arts. Other courses include the Certificate III & IV in Circus Arts and a range of recreational short courses.

NICA graduates are employed in major circuses across Australia and internationally.

NICA Auditions Open

Love circus? Want to be a professional circus artist?

Those with a flair for the physical and a background in physical training such as circus, gymnastics, sport, dance, martial arts or similar are encouraged to apply.
