

2012 Successful WAG Competition Season Comes to a Close

Katrina Squires, Tuesday, 6 December 2011

Sunday November 27th saw the final Optional Competition & Grading of the year for Tassie's Level 4-7 Women's gymnasts. Held at PCYC Launceston, the day was a relaxed way to end the competition year despite being a long day for our session 2 girls.

61 gymnasts competed from across the state representing five clubs. Of this 34 gymnasts successfully graded. The State level stream has boomed in numbers with only 9 of the day's competitors competing in the National Levels stream. The standard of competitors was very high across both the State & National Streams with very tight results on all apparatus.

Well done to all who competed in this event.
