

Disability Sport and Recreation Network Forum - Monday 22nd of August

Tuesday, 26 July 2011

Sport and Recreation Tasmania (SRT) are conducting a **FREE** forum for Disability Service Providers and State Sporting Organisations (SSO's) who want to:

- Expand knowledge about sport and active recreation opportunities for people with disabilities
- Discuss experiences and ideas about sport and active recreation for people with disabilities

The Disability Sport and Recreation Network Forum provides a platform for the disability and sport sectors to interact and discuss how to work together to encourage greater participation of people with disability in sport and active recreation.

This forum follows on from the successful network forum held in November 2010.

Disability and Sport sector organisations are strongly encouraged to attend this valuable networking opportunity.

Date: **Monday 22 August 2011**
