

Successful MG level 3-8 Competition

Kodee Voss from Kingborough showing his strength on the Rings

Kodee Voss, Tuesday, 5 July 2011

Channel Court State Gymnast Centre hosted a level 3-8 Competition on the 3rd of July. All boys competed well, with all gymnasts that were attempting to grade, passing!

The following gymnasts successfully graded:

Level 3 – Ryan Schuth (KSCG), Jordan Berry & James Elliot (HGA)

Level 4 – Drew Aggenbach (KSCG)

Level 5 – Christopher Cook, Bobby Schuth and Matthew French (KSCG)

Level 7 – Matthew Rose (KSCG)

For Jiemba Sands (level 7) and Kodee Voss (level 8), it was their last chance to perform routines in front of judges before heading away to the National Championships to be held in Canberra from the 15th-19th of July. Jiemba Sands had a successful competition with an overall score of 71.7, which if repeated at Nationals would make him a strong competitor at level 7 open. Best of luck to all boys heading away to Nationals.
