

GT Board release tender documents

Gym Tas Board, Thursday, 9 June 2011

Advice to Clubs interested in applying to host Tasmanian State Championships...

On behalf of Gymnastics Tasmania (**GT**), we are pleased to release the Tender Application Form for the 2011 State Championships. Following a progressive determination by the GT Board to trial the tendering of WG events, these documents provide an opportunity for Clubs to take responsibility for the delivery of the 2011 Tasmanian State Championships and to garner the benefits derived from hosting this large multi-sport event.

The Application Form can be downloaded and completed for submission, whilst an MOU is in draft and is available upon request. **The Application Form is due at the end of this week, Friday, 17th June.**

All Clubs interested in tendering and believe they can meet the event criteria are encouraged to consider submitting an application. We are mindful of the very short timelines and encourage Clubs to register interest should they be unable to submit an application in time. The tender documents will also be available from Events & Results -> State Forms on the Gymnastics Tasmania website.
