

KLD's Got X-treme Talent!!!

Kelly Marshall, Monday, 6 June 2011

One of Victoria's largest Cheer & Dance Clubs KLD X-treme entered Australia's Got Talent earlier this year. They performed an amazing routine at the auditions and received rave reviews and a unanimous nod from the judges to continue into the next round of the competition.

All three judges could not contain their excitement with Dani Minogue commenting that the girls were "Fearless Females!" and "you girls are world class". Judge Brian McFadden also commented in amazement asking "how do you throw somebody that high? I was looking for a trampoline at the back."

KLD X-treme is flying the flag for our sport showing that we are talented athletes and their routine on the stage proved that.

Last Tuesday night they were in the Semi Finals of the Talent Show. We encourage all of our Cheerleading Family to watch, support and vote for this team to make it through to the Finals.

Australia's Got Talent will air on Channel 7 at 7:30pm.
