

## WAG Work Order Confirmed

*Anke Moncur, Friday, 24 June 2011*

The work order has been revised to reflect change in numbers from late entries and withdrawals...

Dear Clubs and Coaches,

Please note there are no changes in times. For session 3, some groups have been altered to accommodate for the changes. Judges panels remain unaltered. Please note late entries have been accommodated; however this may not be the case at future events.

Music must be supplied on USB or iPod.

Feel free to contact me if you have any further questions.

Kind Regards,

Anke Moncur
