

Club 10 Review

Membership Services, Tuesday, 8 November 2011

After a decade or so of serving the needs of Australian clubs, the Club 10 program is destined for a facelift...

Gymnastics Australia, in conjunction with the State Associations, is currently undertaking a review of the Club 10 program to ensure that it remains relevant, appropriate, beneficial and attractive to clubs. As part of this review, we are asking you to provide feedback on the program as it currently exists and to give an indication of your future club development and quality assurance needs. You can do this via an online survey which will be available via the Gymnastics Australia website in a couple of weeks – stay tuned for that. We hope you will take the opportunity to give your thoughts in order to rejuvenate and reinvigorate your club quality assurance program ... Club 10!
