

Sport and Recreation Tasmania Board Opportunity

Wednesday, 30 November 2011

Sport and Recreation Tasmania would like to bring to your attention an opportunity to express interest in joining the board of Womensport and Recreation Tasmania.

Become a member of the WSRT board!

Want to join a dynamic board dedicated to improving opportunities for women and girls in Tasmania to participate in regular physical activity?

Expressions of interest are sought from interested and passionate members of the Tasmanian community to join the Womensport and Recreation Tasmania Inc Board.

This voluntary Board aims to inspire and enable women of all ages to participate in regular physical activity. Womensport and Recreation Tasmania Inc provide mentoring and networking opportunities, education and training programs and has an important role in facilitating opportunities for women and girls in physical activity, both sport and recreation.

Who are we looking for?

Each member of the Board brings a diverse range of skills to the table. Demonstrable skills in board governance, advocacy (links and networks within Government, contacts in sports industry, knowledge of advocacy programs/policies, links with schools) and grants and funding growth strategies (writing grant proposals, contacts in the corporate sector, securing sponsorship) will be considered favorably.

Important information

- Womensport and Recreation Tasmanian Inc are an equal opportunities board and are seeking expressions of interest from both male and female applicants.
- Whilst the board is primarily based in the South of the state, Womensport and Recreation Tasmania Inc have telephone and video conference abilities and would be happy to consider applicants from all areas of Tasmania.
- Applications should include a cover letter, resume (including demonstrable skills and education) plus referees.
