GFA / WAG Course Participants with Rowena Lynch

Rowena Lynch, Wednesday, 28 September 2011

On the weekend of 24th & 25th September a combined WAG & GFA coaches course was held at Zodiacs Gymnastics Club in Burnie. National course presenter Rowena Lynch travelled to Tasmania to deliver the course to a group of young and enthusiastic coaches. The combined course gave the participants the opportunity to walk away with two qualifications in one weekend and was very well supported by clubs in the region.

"The majority of coaches that attended the course are at the start of their coaching journey, but their enthusiasm and willingness to learn means Tasmanian Gymnastics has a bright future". - Rowena Lynch National Course Presenter.
