Congratulations boys on a successful competition...

On Sunday August 12th PCYC Launceston was fortunate enough to host their first Gymnastics Tasmania MG competition. The day was fun filled with 27 boys from PCYC Launceston & Zodiacs Gymnastics Club competing at Level 0 through to Level 4. Zodiacs boys at Level 0 and 1 had the time of their lives in their first event outside of their own gym and there were plenty of smiles throughout their routines and as they were presented with their ribbons.

The overall Level 0 winners were Nye REEVES 1st, Samuel SARTORI 2nd & Campbell PALMER 3rd.

In the Level 1 we saw Levin KLINGER 1st, Will HODGE 2nd & Stuart McALLISTER 3rd. We also saw Will HODGE, Stuart McALLISTER, James GIBSON & Ethan BUCKLE successfully pass their Level 1 grading.

The Level 2 competition saw gymnasts from PCYC Launceston & Zodiacs battle it out over six apparatus. Overall we saw Finnian WALLIS – PCYC Launceston 1st, Jayden REID – PCYC Launceston 2nd & Oscar SMITH – Zodiacs 3rd. Toby McKNIGHT – PCYC Launceston successfully passed Level 2 at the competition.

Ryan BUTT from PCYC Launceston was the only Level 3 on the day and was successful in grading Level 3 in time for State Championships at the end of the month.

Level 4 saw three PCYC Launceston boys battle it out in the lead up to State Championships with Sam SCHIBIG the stand out performer taking out all six apparatus and the Overall title, George TSAKIRES placed 2nd with Casper MURRELL 3rd.

A huge thank you to Andrew MARTIN for his assistance in the lead up to this event and for giving up his time to come along and judge the Level 2-4 boys.
