

Slipstream Circus Presents - ALICE!

SlipStream Circus, Wednesday, 29 August 2012

Every year at Slipstream Circus around September.... It's Showtime! Showtime is an opportunity for all of the members of Slipstream to be involved in a full scale production. These valuable opportunities assist the ongoing development and depth of our members. This year's Showtime is ALICE.

"Alice" now why does that name ring a bell? Is it because she is the camel with one hump? Is it because she is the girl you have been living next door to for 25 years? I wonder... Ah, yes. Wonderland... Alice in Wonderland.

Slipstream Circus is proud to present ALICE; an adaptation of Lewis Carrol's timeless tale - "Alice in Wonderland and Through the Looking Glass". Take a journey down the rabbit hole with the 115 performers ranging from pre-schoolers to young adults. The twists and turns, spins and flips will have you on the edge of your seat. The Mad Hatter and the March Hare take the audience through this classic story following the Alice's journey into wonderland visiting the well known characters along the way: including the White Rabbit, Caterpillar, Tweedle Dee and Tweedle Dum, Dormouse, Cheshire Cat, King and Queen of Hearts and, of course, Alice.

The story ties together a range of gymnastic and circus skills to wow every member of the audience.
