

2012 Late Entry Processes

Monday, 6 February 2012

Please make yourself aware of the procedures for 2012...

2012 Late Entry Processes

Ensuring that Tasmania can have access to amazing events and education courses requires a lot of organisation. As you all know, a lot of this work is done by volunteers. In order to make this process easier for all those involved, in 2012 we will be closing entries sooner than in the past. The closing date for events will be the Sunday 4 weeks prior and for courses will be the Sunday 2 weeks prior unless otherwise stated on the entry form. Due to the extra work that late entries generate there will be a fee for any entries received after the closing date as follows. Late entries up to 24hrs before the course or 1 week before an event will be charged a late fee of \$10 per entry up to a maximum of \$50 per club. No entries will be accepted for events after 1 week out. For courses, participants that walk up on the day will be charged a \$50 late fee. Take a look at the events calendar on the Gymnastics Tasmania website and make a note of when the relevant closing dates are for your club.
