

## National Girls Competition comes to Tasmania

Mark Moncur, Wednesday, 15 February 2012

Kingborough Gymnastics has teamed up with Aussie Gym events to host the first ever Jansen and Fritzen Open and Dream Light Challenge.

The Jansen and Fritzen Open will be a competition for Level 4-10 National and State levels. There will be an individual, overall and team competition with some exciting new initiative to add some extra entertainment at each level. Every gymnast will receive a certificate on each apparatus they compete and also a participation medal.

The Dreamlight Challenge held on the same weekend will be looking to produce some high entertainment with a US college style event. The competition will incorporate some of Australia's best level 9, 10 and elite gymnasts participating in a team competition with an atmosphere never seen before in Australia.

For more information on the event visit [aussie gym events](http://aussie-gym-events.com.au) or siglook us up on [facebook](https://www.facebook.com/aussiegymevents)
