

## 2012 Trampoline Levels State Championships

Overall State Trampoline Champions

*Jo Penny, Wednesday, 18 July 2012*

Over 70 Trampoline Athletes participated in this wonderful event with Apex Trampoline Club, Eastside Activity Centre, Hobart Gymnastics Academy, Kingborough Gymnastics Club and PCYC Launceston, all vying for a podium finish in Individual Trampoline, Double-mini Trampoline, Synchronised Trampoline and Tumbling from Levels 3-10.

The Trampoline State Level Championships were held at PCYC Launceston on the 14-15 July. In attendance were approximately 70 athletes from Apex Trampoline Club, Eastside Activity Centre, Hobart Gymnastics Academy, Kingborough Gymnastics Club and PCYC Launceston, all vying for a podium finish in Individual Trampoline, Double-mini Trampoline, Synchronised Trampoline and Tumbling from Levels 3-10.

This competition is the original Tasmanian State Championships and is special in many ways. For some competitors it is the pinnacle of the competition calendar and the chance to show their worth for future state squads. For other more seasoned competitors it provides a chance to try out some new skills, routines, passes.... or serves as a preparation event for bigger competitions - in this case the Indo-Pac trial and/or National Clubs.

This competition also includes the presenting of the Overall State Trampoline Trophies. Athletes' competition points are added together throughout the year from scores acquired at competitions at a state, interstate, national and international level. Awards are given in men's and women's individual events and in a combined synchronised and tumbling category. The awards hold a great deal of Trampoline history, being donated by individuals who have been instrumental in developing Tasmanian Trampoline over the last 12 years in the State.

Congratulations to all who competed in the State Championships. Although the results only reflect State Champions, the competition belongs to all who competed in it and achieved personal bests, completed new routines or skills or simply enjoyed the experience of showing family and friends what they enjoy to do – BOUNCE! It was wonderful to see the camaraderie and support between clubs from around the state - the athletes, coaches, judges, volunteers and supporters. Thank you all for making this another successful State competition for Tasmania.
