On Sunday, 23rd October, the Gymnastics Tasmania Open Forum for Clubs took place at PCYC Launceston. 26 people were in attendance, including the CEO of Gymnastics Australia, Cath Clark and Gymnastics Australia Membership Services and Capability Manager, Geoff Rietschel. The Board was well represented, along with Tasmania's Club 10 Development Officer, SMC and discipline representatives, as well as numerous Clubs from across the State.

"Gymnastics Australia commends the Tasmanian Board, and in particular Mark Moncur, for the professional and open manner in which this well attended Club forum was conducted. Congratulations to those Board Members who were available to attend, including Ludmilla, Pauline, Peter, Greg and of course Mark, and to all Clubs who were in a position to make the most of this opportunity", Geoff Rietschel said.
