

## HGA - Relay for Life 2012

Hobart Gymnastics Academy Relay for a Cause!

*Liv Burnett, Wednesday, 21 March 2012*

Hobart Gymnastics Academy pull together for a wonderful cause !!

Hobart Gymnastics Academy rallied together a fabulous team for the Cancer Council Relay For Life 2012.

The event was fantastic and ran smoothly, a huge thanks to everyone who donated to and fundraised for the team we ended up very close to \$3,000 with our registrations!!!

Wonderful weather gave us a beautiful sunset to walk to, and for those few a beautiful sunrise too!! :) There was handstand walking, running, jumping, rolling, leaping, dancing and general fun as we did our laps of the track, I think it's safe to say we had the most creative modes of doing our laps!

A special thanks to all the wonderful parents for bringing up food, and an extra special thanks to Shirleen for getting some yummy food donated, as well as bringing fresh pancakes in before the sun was up for breakfast!!! It was an amazing weekend, thank you to everyone who was involved in any way, as captain, your support of the event is what made it so good!

I'm already looking forward to the Relay 2013, hopefully it will be bigger and better for the Cancer Council and HGA teams!!!

Walking on the Domain Athletic Centre Track, one of the many laps!

Handstand warmup time for the laps

The Proud HGA team!

Lighting of the candle, support message!

HGA Baton for the Relay
