Impressive performances and training at the AIS brings Jack into contention for the Olympics

Jack Penny has been announced as a member of the Gymnastics Australia Shadow Olympic Squad for Trampoline. Jack has just returned from week long intensive National Squad Training Camp at the AIS, which included a trial for the Pacific Rim competition being held in Seattle next month.

Despite missing out on selection into this event, Jack impressed selectors and the national coach to be named in the Shadow Olympic Squad for the London Olympics.

Jack will now begin preparations for National Championships which will serve as a selection event for the 2012 China World Cup. The China World Cup will be one of the major selection events for the Olympic Games being held in August.
