The event finished in style with the Dreamlight Challenge being an outstanding success of high energy US college style gymnastics, that engaged and thrilled the crowd. After the first rotation of apparatus Southern Canberra Vikings took a surprise lead over the highly fancied Delta Force and Delta Challenge teams, as the competition progressed Delta Force climbed their way back from a poor start to become the first ever Dreamlight Challenge champions.

Highlights of the event include Valeriy Shuster dressing up as the Canberra Viking, and the outstanding crowd support and enthusiasm of the gymnasts. We look forward to a bigger and more exciting event in 2013
