Within this edition we look at some innovative programs from Headspace and Gymnastics Victoria

You would have thought it would be a quiet time of year as the football seasons came to a close. Not at all, there is plenty going on around the country making sport safe, fair and inclusive.

In this months e-Bulletin we see how Social Inclusion Week and Movember are shaping up; we release a new Policy template for sport - the Chaperone Policy template. Plus heaps more.

The e-Bulletin is attached.

Thanks
