

## Adelaide Gymnaestrada - November 7th - 10th 2013

*Wednesday, 31 July 2013*

A display event for everyone! Friday 7th to Sunday 10th November 2013.

Gymnastics performance teams from far and wide are invited to the Adelaide Gymnaestrada – **show** off your skills, **display** your style and **share** the fun in the Festival City.

The Adelaide Gymnaestrada will include a range of performance opportunities for each team; two indoor performances, an outdoor performance at one of Adelaide’s iconic tourist areas, workshops and the jewel of the South – an evening gala performance under lights. GSA has also gained the pre-Xmas Pageant entertainment time slot for the Gymnaestrada participants – this event has over 30,000 spectators!

What’s not to love?

Gymnastics South Australia will host this national event and are well practised at getting a top notch show together after five consecutive sell-out seasons of the “Cirque de Gymnastique”. The Adelaide Gymnaestrada is the weekend after the Asian Gymnaestrada, so teams can follow the performance trail straight from Singapore to Adelaide.

Australian teams who participate in the Adelaide Gymnaestrada will be eligible to apply to join the 2015 Australian World Gymnaestrada team.
