

## WAG State Team Representative - Micaela Maui

*Monday, 15 July 2013*

Read all about Micky, her interests and her love for Gymnastics... We will hopefully be featuring all our MAG and WAG State Team representatives over the next month...

Micaela Maui

Micaela found her love for Gymnastics at quite a young age. Being in the gym for mostly her whole life has made her passion for this wonderful sport increase to more than a passion but it has become her whole life. Micaela currently trains 4 days a week. Because of her love for the sport she decided to start coaching, she is coaching 3 day a week and is thoroughly enjoying it. Despite a few injuries over the last years Micaela was selected to represent Tasmanian in the 2012 State Team, and is very excited to be representing Tasmania again this year.
