Clarence Gymnastics Venue

Lars Becker, Tuesday, 5 March 2013

A new club, Clarence Gymnastics opened its doors on the 4th of February this year. As a result of Charles and Jenny Minster moving to Melbourne, the Management of Wildcats gymnastics was taken over by Kingborough Gymnastics to form Clarence Gymnastics. The new club will compete as its own entity at competitions and events.

Clarence gymnastics has introduced a new range of programs based on the highly successful Kingborough Sports Centre Gymnastics Programs. The club has seen huge interest from the community with an increase from 160 gymnasts in 2012 to currently 315 gymnasts with 15 children on the waiting list.
