

LaunchPad Prepares to Expand Further in the Southern Isle!

Monday, 4 November 2013

Several more Tasmanian clubs are preparing to engage with the LaunchPad initiative and take fundamental movement to new heights in the south.

Following in the footsteps of PCYC Launceston and Hobart Gymnastics Academy, expressions of interest from Tasmanian clubs have now been sought and preparations are underway for GA to visit, certify and accredit coaches and clubs in LaunchPad.

The suite of LaunchPad offerings is growing and the word that gymnastics is the 'nursery of Australian sport' is spreading. Clubs are able to work with the national brand and align to the initiative without the need to change their existing programs. There are so many great things happening in gymnastics clubs across the country. Let's promote our expertise and give all Australian children the opportunity to experience the best sport on the planet!

It all begins with you... The more clubs and coaches we have on board, the stronger our presence in the national market becomes! If you are a Tasmanian club or coach and would like to know how LaunchPad could assist in your recreational gymnastics classes, contact Marcus Leslie at Gymnastics Australia, mleslie@gymnastics.org.au. And if you aren't from Tassie, give your State Association a call. They have dedicated staff that will be more than happy to give you all the information you need.

To learn more about the initiative, visit the [LaunchPad website](#).
