

Benefits of Technical Membership 2014

Linsey Da Costa, Tuesday, 13 May 2014

Technical Membership is a special category of membership with Gymnastics Australia. Members receive benefits that are designed to assist and support them in their roles.

The Benefits of Technical Membership for 2014

Technical Members receive benefits that are designed to assist and support them in their roles. All Coaches who become Technical Members of Gymnastics Australia also receive separate benefits from their State Gymnastic Association. Plus from time to time you will receive special bonus purchase offers from Gymnastics Australia's corporate partners.

In 2014, Gymnastics Australia is pleased to offer you an expanded range of lifestyle and financial benefits through Member Advantage. The expanded range of benefits includes great savings on dining at a range of selected restaurants and a 5% discount off a wide range of pre-purchased gift cards. To find out more visit www.memberadvantage.com.au, login using your Gymnastics Australia membership number as displayed on your membership card.

New Membership Benefit in 2014 - Australian Levels Program

From December 1st 2013, all Technical Members who either renew their membership for a further 12 months or attain a membership for the first time will receive free access to a digital version of the Australian Levels Program manual or equivalent for each Gymsport they hold an accreditation in.
