Presidents Annual Report 2011

2011 has been a year of great change for Gymnastics Tasmania with the Board making the decision to move the administration of Gymnastics Tasmania to be administered from Gymnastics Australia.

I would like to personally thank Geoff Reitchell and the staff from Gymnastics Australia for their dedication and hard work over the past 12 months that I believe has contributed to the success of the new administration.

With the change in administration of Gymnastics Tasmania, we saw the departure of long term employee Gaylene King, who I would like to once again thank for the work and efforts put in over the past 11 years. We also had the departure of Nicole Colev from the role of Club 10 Development Officer. During her time in the role, Nicole has been an outstanding employee. Nicole is still involved with Gymnastics Tasmania through her role in Cheerleading and has been a great source of information for the new Club 10 Development Officer.

Gymnastics Tasmania employed Jane Johnson as the new Club 10 Development Officer at the start of 2011. Jane has been working 1 day from home and 1 day from the State Gymnastics Centre. I would like to congratulate Jane on the way she has taken on the new role with Gymnastics Tasmania, she has learnt a lot during this year, while also managing to develop solid relationships with all clubs in the state. The work Jane has done this year will assist Gymnastics Tasmania to grow stronger into the future.

Highlights:

- Once again hosted the Trampoline National Clubs Championships. The event attracted 297 athletes from around the country and delivering Tasmania a great profit.
- Increase in athlete numbers from 3170 last year to 3449 at end of September, 2011. Athlete numbers will continue to grow throughout the 2011 calendar year and it is hoped that GT can register over 3500 members.
- Strong performance at national events for Trampoline, WAG and MAG Gymsports.

Once again I would like to thank the board member, staff, committee members and volunteers that have helped Gymnastics Tasmania move forward this year and I look forward to working with you again next year.

Mark Moncur

Gymnastics Australia, 2011 Annual Report

In the final months of 2010 at the Annual General meeting, the Gymnastics Tasmania Board, based on a governance review, put to Members a motion to shift administration of the State operations to Gymnastics Australia. This motion was subsequently passed.

This was only one of a number of innovative decisions made for 2011, as such, Gymnastics Australia is pleased to provide this report across five key areas to the Board, Members and stakeholders of Gymnastics Tasmania.

Membership

The hard work of Clubs, the efforts and hours of work contributed by staff, both paid and unpaid, and the continuing recognition of gymnastics is reflected in the continued growth of membership throughout all categories in Tasmania. As of 17th November, 2011, Gymnastics Australia is pleased to report that membership numbers are reaching levels never before seen in the State:

- 3,397 Athlete registrations
- 132 Coaches & Judges

On behalf of Gymnastics Tasmania we commend the achievements of Clubs, mentors and volunteers who have contributed to this achievement.

Club 10 Officer's Report
To be included.

The role of stakeholder organisations, especially the Tasmanian State Government through Sport and Recreation Tasmania, has been a significant factor in these developments and we thank them for their continued support.

Events

At the time of writing a number of Gymnastics Tasmania events were still to be conducted, reflecting the numerous, year-long opportunities available to the Tasmanian gymnastics community. The efforts, primarily of volunteers and long-time supporters of gymnastics in Tasmania, are greatly appreciated and make these events the success that they are.

A second key initiative of the Tasmanian Board in 2011 included the trial of Club-based hosting of Women's Gymnastics events through the event tender process, the experience of Gymnastics Australia in supporting this process suggests the first year has been a resounding success. Whilst we must acknowledge that the process was not without its' challenges, for a first year implementation, the signs are very positive for 2012 and beyond.

Two facts have become clear with regard the conduct of events in Tasmania during 2011. Firstly, the gymnastic community remains quite independent and capable to conduct events, when provided with the appropriate resources and direction. Secondly, the processes and communication between Gymnastics Australia and the relevant 'host' Club or Sport Management Committee can be streamlined. Gymnastics Australia looks forward to the opportunity to improve this experience for all event participants in 2012.

Special mention must also be made of the three State Teams who competed and their respective National Championships, Men's Gymnastics, Women's Gymnastics and Trampoline Sports. The efforts of team managers and support personnel, including coaches and judges, is highly valued and greatly appreciated.

2011 Trampoline National Clubs

Special mention must be made of the very successful Trampoline National Clubs event again hosted by Gymnastics Tasmania. This event will ultimately return for the sport on the investment of time, money and effort that was made by so many.

Excluding the Trampoline National Clubs, Gymnastics Tasmania experienced nearly 2,000 entrants in events in 2011, and saw a return in excess of \$30,000 to Clubs.

Education

Whilst attention has already turned to finalising preparations and promoting the 2012 Congress, this year commenced with Congress and Gymsport Clinics utilising extensive local and inter-State expertise. The Congress, ably hosted at PCYC Launceston, saw high numbers and a variety of workshops, including Gymnastics for All National Program Manager Petrina Hutchinson, National Women's Gymnastics Choreographer Stacey Umeh and former English and current West Australian trampoline specialist, Elliot Stratton, not to mention a number of inter-State Gymsport specialists.

Throughout 2011, a unique occurrence took place, with every Gymsport hosting either a coach, judge or in some instances both, course. The net result being 106 coaches and 55 judges entered to courses. This comes on top of the 179 Congress participants in January. The net result is seen in the growth in Technical Membership in 2011.

Administration

This first year of providing administrative support has led to new experiences, some minor challenges and the establishment of new working relationships with many Tasmanian gymnastics community members. Gymnastics Australia looks forward to simplifying processes, responding to community feedback and further enhancing participants' experience of the sport of gymnastics.

The open Club forum hosted in Launceston in late October provided a great connection to the community and confirmed that Gymnastics Australia and Tasmania were on track.

Gymnastics Australia would like to extend special thanks to the 2011 Board Members; Mark, John, Ludmila, Pauline, Peter, Greg, Charles and Mick. To the Sport Management Committees and volunteers, in particular to President Mark Moncur, and SMC Heads John, Anke, Mardi, Ben and Nicole, without whose support the year would have been far more challenging. And to Jane Johnson who took on the role of Club 10 Development Officer in 2011, making herself available to every Club in the State and seeking to represent and provide solutions to the key issues affecting the State.

On behalf of Gymnastics Australia

Manager - Membership Services & Capability

Club 10 Tasmania, 2011 Annual Report

2011 has seen a great deal of importance placed on the role of Club Development officer within Tasmania. This Club 10 role of building up relationships between the clubs and officer, as well as the first point of contact for clubs, is vital to help the clubs develop into the future. I would like to acknowledge the support I have received from Geoff Rietschel, Mark Moncur, Nicole Colev, Kingborough staff and other Gymnastics Tasmania personnel for their understanding and patience as I continue to learn this role.

Affiliation

The affiliation process ran smoothly in 2011, with the majority of clubs returning forms in a timely manner. Within the 2012 affiliation packages we hope to have ready a list of responsibilities throughout GA and GT, and contact names on who to contact for all inquiries.

Membership

The PCYC agreement looks set to be continued for a further 3 years. 2010 membership packages were all distributed in time for the commencement of classes for 2011. GA have already started the 2012 affiliation process and these will be distributed to the 16 Tasmanian clubs at the appropriate time. As of the 8/11/2011 Gymnastics Tasmania has 3444 registered athletes.

Star Categories

The majority of Tasmanian affiliated clubs retained or increased their star ratings in 2011. Eastside Activity Centre, being a new club affiliated with Gymnastics Tasmania has achieved their Star 3 rating for 2012, which is a commendable effort. Hobart Gymnastics Academy and Riverside has submitted their documentation to have their star rating increased to a Star 4.

Calendar

The 2012 calendar is well underway for next year. The emphasis will be to ensure the different disciplines are not doubling up on the same weekends. By each SMC submitting the calendars earlier than usual this will help to ensure a smooth 2012 calendar of events.

2011 Gymnastic Tasmania Forum

This Forum took place on the 23rd of October 2012. This was a great opportunity for the Gymnastics Tasmania community to come together and discuss the future of how we as a state can move forward into 2012.

The GT competitions were well attended and ran successfully this year. It was good to have the entries from Launceston PCYC, Zodiacs and Exeter at the Devonport Competition, and we will hope this augurs well for the future.

State Championships and Trans-Bass Challenge

There were 46 entries from clubs around the State and Victoria, with strong contingents from Devonport, Kingborough and PIT, and entries from Hobart Gymnastics Academy and Launceston PCYC.

Kingborough took out the Shell Shield for overall champion club and individual honours were shared round. After a lean spell, Tasmania reclaimed the Shield from PIT in the Trans Bass Challenge.

We were fortunate once again to have the assistance of Paul Szyjko and Andrew Martin as head judges. The Championships ran smoothly thanks to the efforts of the experienced team from Kingborough.

National Championships

This year's team to Nationals comprised a team at Level 8 Open and individuals at Level 7 Open. Team management comprised John Hargreaves and Pauline Dittmann with Coach: Kyle Giles and Judges: Andrew Martin, John Hargreaves and Pauline Dittmann.

The most notable results were Ricky Maui's first on parallel bars, Brady Lillico's 2nd on vault and Sam Crean's 3rd on high bar at level 8. All gymnasts competed competently and justified their selection.

All in all it was a successful campaign. Once again we just missed a bronze team medal placing fourth at level 8. There were minor issues due to the new office arrangements and being accommodated at the AIS without ground transport, and the SMC plans to revisit the job descriptions for officials and tighten up the selection procedure for the future.

Coaches Workshops & Clinics

Coaches Congress and Clinic

Aaron Thanas, a senior international gymnast from Victoria, led the MAG Congress this year, with the usual coaches' workshop on the first day and clinic on the second. Both were well attended and Aaron's presentations were well received. The Clinic at Kingborough was a great start to the year for 13 of our higher level gymnasts.

State Team Training

A training session for the State Team to Nationals was held at Kingborough on 18 June led by John Hargreaves and Kyle Giles. The preparation for the team was more extensive than usual, comprising an earlier Invitational Competition and two trials, the second being a two day event.

Training Clinics

Andrew Martin has continued to lead training clinics at Kingborough. Two have been held (in March and September) and another is planned in November. These two day events have become important for both gymnasts and coaches providing updating opportunities. It is proposed to continue with this valuable initiative of Andrew's, which has proved so successful, and direct future clinics at junior development as well as the senior gymnasts in 2012.

The availability of Kingborough at reasonable cost continues to be a great facility for the future development of MAG in the State.

Judging

The following judges' courses were held this year:

Date	Level of Course	Number attending
6 March	Beginner	7
20 March	Intermediate	3

Following the training, the number of qualified judges is as follows:

Judging Level	Number of Judges
FIG	2
Advanced	1
Intermediate	7
Beginner	10 (est.)

Sam Whittle has continued to present the accredited courses and John Hargreaves has run some workshops for candidates preparing for the advanced course which is planned in the near future.

Clubs with MG registered gymnasts:

- Devonport
- Hobart Gymnastics Academy
- Kingborough
- Launceston PCYC
- Zodiacs
- Exeter

The Drop in Numbers at Level 1-3 can be partly explained by Kingborough Gymnastics introducing their own internal system for lower levels and no longer using the National Level 1-3 program. The attendance at GT events has been similar to recent years apart from the loss of entries from Hobart PCYC which has ceased its MAG program.

Sports Management Committee

This year the MG SMC comprised the following members:

Chair	John Hargreaves
Technical Assistant	Andrew Martin
Judging Coordinator	Sam Whittle
Coaching Coordinator	Kyle Giles
Competition Coordinator	Kodee Voss
Nationals Coordinator	Pauline Dittmann

The Committee met four times through the year.

Comments

Highlights of the year included:

- Consistent and positive contributions from all members of the SMC in their allocated roles
- The continuing success of the State Championships including entries from PIT Gymnastics
- Good entries in the competitions this year, including entries from Launceston PCYC, Zodiacs and Exeter
- The first Tasmanian level 8 team entered in the National Championships
- Continuing development in coaching expertise through clinics and coaches workshops

After many years in the position of Men's Technical Adviser, I am finally retiring. I am happy to be handing over to Andrew Martin and have full confidence in him and his team in the MG SMC. I have enjoyed my involvement with Gymnastics Tasmania and the many good people I have worked with. To single out people is always dangerous owing to unintended omissions, but I'll risk it – particular thanks to Bob Wherrett, Gary Pitchford, Mark Moncur and Pauline Dittmann.

NATIONALS

3 Gymnasts represented Gymnastics Tasmania at Nationals. While the number of girls was low the standards was very good with all girls qualifying for finals. Georgina Osborn placed 2nd on Vault at Level 7 and Olivia Burnett proved that she has the ability to perform at level 10 placing 5th overall on the second day of competition.

JUDGES EDUCATION COORDINATOR REPORT

WAG Beginner courses were run in the north and south. WAG Intermediate course was run in Launceston. The WAG Advanced course was run in Launceston.

COACH EDUCATION

The congress 2011 was well attended with Stacey Umeh presenting.

Anke Moncur- WAG Technical Director

Rhythmic Gymnastics, Annual Report 2011

COACHING

The number of currently accredited coaches in Tasmania has remained consistent this year, with a further 5 participants attending the Level 1 course held at HGA in April. The candidates attending represented the 3 southern clubs involved in RG: Kingborough, Hobart Gymnastics Academy and Hobart PCYC. The course was run by Jo Edinger from WA and the feedback from those who attended was all very positive.

JUDGING

The area of judging is still an issue, especially given the new requirements where judges are required for Difficulty, Artistry and Execution. Thanks to those who have continued to judge at all events this year. A number of coaches, gymnasts and parents have recently expressed an interest in becoming judges so a Beginner judging course will be high priority in early 2012.

EVENTS

Competitions and National Award Tests this year have been well supported, and it is good to see the number of gymnasts attending increasing, especially in the lower levels. Riverside Gymnastics have also recommenced classes this year, and are looking at attending events during 2012, which will get us back to having 4 active clubs within the discipline.

State Championships were held in conjunction with MAG/WAG again this year and is still a very positive way of promoting Rhythmic within the community and allowing gymnasts the opportunity of a larger scale competition. The competition ran extremely smoothly this year with no issues arising and was a very enjoyable event for all involved. The only negative was not being able to have an interstate judge attend due to lower competitor numbers at this level, but I would expect the numbers to increase for next year. Much thanks to all those who were involved in the organization of this event, and those who worked tirelessly on the day.

The last event of the year is scheduled for Sunday 20th November at HGA and will involve gymnasts from all levels.

Competitions

Tasmanian athletes competed in a variety of local, interstate, national, and international events.

International

In 2011, seven Tasmanian athletes nominated for a position on the Australian Team. Two Tasmanian athletes were chosen to represent Australia at the World Age Championships (22-25 November) which are being held in Birmingham, UK. The athletes selected to represent Australia at this event were Hugh McConnell (Under 15) and Aidan Collins (Under 17). Three Tasmanian officials were also selected, Jo Penny (Team Manager), Ben Kelly (Assistant DMT Coach – not attending) and Leigh Oswin (TRP Judge).

In addition, two athletes were chosen to represent Australia at other international events. Jack Penny was selected to compete in the China World Cup (20th place Individual Trampoline), and Aidan Collins the Trans-Tasman Challenge (Australia – 1st place Men's DMT). Unfortunately, Jack Penny sustained serious injury whilst competing in China in the Synchronised event. Jack damaged ligaments in his left ankle as well as muscle damage to his left elbow. The Tasmanian TRP SMC would like to thank the following people for supporting Jack in China during this ordeal and when returning home - Ty Swadling, Tessa Storey, Nikolay Zhuravlev, Adam Sachs, the Tasmanian Institute of Sport, Dr Howard Bye and, Aleem Kahalfam.

National Championships

Tasmania sent 16 athletes to the Australian National Championships. Aidan Collins defended his 2010 title by winning the Under 17 Men's DMT competition, while Hugh McConnell won gold in Under 15 Men's SYN event with partner Curtis Booth from WA. Tasmania was also part of the winning UTA Team for Elite Men's SYN as well as the Overall Elite Trophy. In addition to this, Leigh Oswin was awarded the 2010 Gymnastics Australia National Official of the Year for his contribution to judging in Trampoline Gymnastics.

It was predicted that Tasmania would field more DMT representatives in 2011 after a change in qualification scores in 2010. Fifteen out of the sixteen State Team members competed in DMT in 2011.

The 2011 Tasmanian National Championship Team is listed below.

Head of Delegation: Jo Penny

Management: Carolyn Kirkpatrick, Davina Sauerwald

State Coach: Ben Kelly

Coaching Staff: Pip Hedley

Judges: Leigh Oswin (FIG), Alison Morgan (Advanced), Jack Penny (Advanced), Martin Vitesnik (Advanced)

Team Captains: Damien Axelsen, Rose Bowerman

Catering: Fiona Buckingham

Championship Team:

Makonnen Brown, Aidan Collins, Hugh McConnell, Ryan Williams (Junior International)

Damien Axelsen, Matthew Gough (Senior International)

Age Team:

Mikaela Lunn (Under 11), Patrick Schluter (U11), Khya Clark (U13), Ebony Denholm (Under 13), Matthew French (Under 13), Joshua Hedley-Williams (Under 13), Blair Kirkpatrick (U13), Alex Pugh-Harris (Under 13), Makonnen Brown (Under 15), Hugh McConnell (Under 15), Ryan Williams (Under 15), Rose Bowerman (U17), Adian Collins (Under 17), Musashi Ledger (U17), Damien Axelsen (17+), Matthew Gough (17+)

Chaperones:

Claire Bowerman, Rach Denholm, Karen French, Clare McConnell, Ann Schluter, Tanya Williams

Local competitions

Trampoline Sports ran two State Championships in 2011. These were well supported with the State Age & Elite Championships in Hobart in April and the State Level Championships held in Launceston in October. Tumbling was held at both of these Championships for the first time. Numbers were low in both instances with only 2 entries at State Age, and 5 entries at State Levels (with only 3 competing). The TAS TRP SMC will continue to support Tumbling in 2012, however, may have to reconsider in 2013 if Tumbling clubs are not supporting events.

A brief summary of these championships are below.

- *State Age & Elite Championships, Eastside Trampoline Club*
 - **Clubs:** Eastside Trampoline Club, Kingborough Gym Club, Launceston PCYC
 - **Number of Competitors: 55 (43 in 2010)**
 - **Number of Entries: 148**
- *State Level Championships, Launceston PCYC*
 - **Clubs:** Eastside Activity Centre, Eastside Trampoline Club, Hobart Gymnastics Academy, Kingborough Gym Club, Launceston PCYC
 - **Number of Competitors: 67 (66 in 2010)**
 - **Number of Entries: 202**

- The award for Overall State Champions is presented at the State Level Championships each year and is awarded to the athletes who show consistency in performance over the year in interclub, state, interstate, national, and international events.
- *Overall State Champions:*
 - Men's Individual (Darren Camilleri Award) – Jack Penny
 - Women's Individual (Ben Kelly Award) – Rose Bowerman
 - Men's Double-Mini (Ludmila Vitesnikova Award) – Aidan Collins
 - Women's Double-Mini (Judy Perrin Award) – Rose Bowerman
 - Synchronised (Jo Penny Award) – Aidan Collins & Hugh McConnell

Trampoline Sports ran three Interclubs in 2011; the third Interclub which is being held in December and therefore will not be reported on here. The third Interclub was originally scheduled in August but was cancelled due to a lack of officials. It was rescheduled for December and will be a novice Interclub (level 1-6 only, no qualifying events) and therefore is able to be run in one day.

A brief summary of all Interclub competitions are below.

- March, Eastside Trampoline Club (Age & Elite, Levels)
 - **Number of Competitors: 102**
 - **Number of Entries: 221**
- May, Launceston PCYC (Levels & Elite)
 - **Number of Competitors: 75**
 - **Number of Entries: 261**

Due to recent, GA recommendations relating judging expectations at National Championships Qualifying events(e.g., sanctioned interclubs); a slight change in the way in which interclubs are run in 2011 may occur with more age group interclubs being necessary

2010 National Club Levels

Gymnastics Tasmania convened the 2011 National Club Levels Competition at the Kingborough Sports Centre in August. The National Club Levels competition is a high profile event in the National Trampoline calendar, attracting competitors from every state. In 2011, the National Club Levels competition was the final and compulsory trial for the 2011 World Age Championship Team, and the premier event for the discipline of Tumbling.

This was the second time Tasmania has held this event, with many positive reports coming from the attending clubs. The organising committee of Mark Moncur, Jo Penny, Ben Kelly, Leigh Oswin and Ludmila Vitesnikova, did an excellent job of hosting this

championship. Special thanks go to the clubs which supplied equipment to the event (Kingborough and Launceston). Special thanks to the extra volunteers who helped to pull down the venue, including High Flyers Club (WA) and Robertson Gym Club (QLD). The Kingborough Gym Club staff also did an excellent job in their tasks of helping to run this event and develop the circulars prior to the competition.

The Launceston PCYC was ranked 4th Overall Club at this event and the following athlete won National Levels events at this competition – Hugh McConnell (Level 8 Men's TRP).

State Squads and Training Camps

The goal of the State Squad system is to identify potential State Team athletes for the current year, as well as to provide extra training and competition experience to help promote and develop these talents to their full potential. Due to the early date set for National Championships, the process used to achieve membership to these squads will be slightly amended for the 2012 competition season.

Cheerleading, Annual Report 2011

2011 has been a successful year for cheerleading in Tasmania both on and off the competition floor. On the education side, both a coach's course and level 1 judge's course were conducted this year with 5 members attending the judges course and 4 attending the coaches course. We also had two members; Haylee Townsend and Angela Barnard, start the process to allow them to present courses in Tasmania allowing us to operate independently of Gymnastics Australia.

On the competition front, two events were held in Tasmania and conducted by Southern All Stars Cheer & Dance as the recognised provider of events for AUS Cheer in Tasmania. Both events were well attended with AUS Cheer Australian Challenge in May attracting 75 athletes and AUS Cheer Australian Showdown attracting 132 athletes – the largest cheerleading event held in Tasmania. Southern All Stars Cheer & Dance also fielded teams at the Aloha International Spirit Championships in Hawaii and AUS Cheer Australian Grand National Championships with success at both events fuelling growth in the sport here in Tasmania.

There has been some difficulty in gaining support and assistance from Gymnastics Australia for these events this year due to the uncertainty surrounding the sport at a National level. At this stage the future direction of cheerleading is unclear however; there is strong support here in Tasmania for a competition series to continue.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2011

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNT POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the reporting requirements of the Association Incorporation Act 1964 Tasmania. The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act Tasmania and the following Australian Accounting Standards:

AASB 1031 Materiality

AASB 110 Events Occurring After Balance Sheet Date

No other applicable Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standard Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuation of non-current assets.

The financial report has been prepared in accordance with a special purpose framework in order to meet the needs of the associations members. As such, the financial report may not be suitable for another purpose.

TASMANIAN GYMNASTICS ASSOCIATION INC

STATEMENT BY MEMBERS OF THE COMMITTEE

The Committee has determined that the Tasmanian Gymnastics Association Inc. is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out on page 1:

1. Presents a true and fair view of the financial position of Tasmanian Gymnastics Association Inc. as at 30th September 2011 and its performance for the year ended on that date.
2. At the date of this statement there are reasonable grounds to believe that Tasmanian Gymnastics Association Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the committee by:

President

Dated this 1 day of December 2011

INDEPENDENT AUDITOR'S REPORT

To the members of the Tasmanian Gymnastics Association Inc.

We have audited the accompanying financial report, being a special purpose report, of the Tasmanian Gymnastics Association Inc., which comprises the statement of financial position as at 30 September 2011, the statement of financial performance for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the officers assertion statement.

Officers Responsibility for the Financial Report

The officers of the Tasmanian Gymnastics Association Inc. are responsible for the preparation of the financial report, and have determined that the basis of preparation described in Note 1. is appropriate to meet the requirements of the *Associations Incorporated Act 1964* and is appropriate to meet the needs of the members. The officers' responsibility also includes such internal control as the officers determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the officers, as well as evaluating the overall presentation of the financial report.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Qualification

As is common for organisations of this type, it is not practicable for the Tasmanian Gymnastics Association Inc. to maintain an effective system of internal control over

donations, fundraising and other income until their initial entry into the accounting records. Accordingly, our audit in relation to donations, fundraising and other income was limited to amounts recorded.

Qualified Opinion

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the financial report presents fairly, in all material respects, the financial position of the Tasmanian Gymnastics Association Inc. as at 30 September 2011 and of its financial performance for the year then ended in accordance with the *Associations Incorporated Act (1964)*

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the officers financial reporting requirements under the *Associations Incorporation Act 1964* and as such may be unsuitable for another purpose.

The officers have determined that the financial report shall be prepared in accordance with a special purpose framework. As a result, the financial report may not be suitable for another purpose as only the accounting standards specifically stated in note 1 to the accounts have been applied in the preparation of this special purpose financial report.

As such, this report should not be distributed or used by parties other than the Tasmanian Gymnastics Association Inc. and its members.
